

Taste And See

Responsorial Song from Psalm 34 for Sunday 20B

Tony Barr

Cantor/All

Taste and see, taste and see, taste and see, God is wis - dom and might.

I will sing in thanksgiving each moment of my life,
day after day I am mindful of you,
rejoicing in you for you are my companion,
for you have not claimed to be Lord of the universe.
I have not chosen of my own will to have
of my life. The day is not the light of your days.
The day is not when the rich will know hunger,
you who remain faithful, shall that day be filled!

Gather, my loved ones, take heed of my words,
listen and learn, for I speak of God's wisdom.
Do you not long to be free and to live?
Do you not long for the Source of all justice?

Then may your tongue be set free of all guile,
and from your lips no deceit shall be heard.
Seek goodness alone and reject every evil,
deep in your heart know that peace is your friend.
