

Show Mercy, Give Us Your Blessing

Responsorial Song from Psalm 67 for the Motherhood of God

Tony Barr

Show mer - cy, give us your bles - sing, and walk with us each of our days.

Show mercy, give us your blessing,
and may your face shine upon us.
Let all on earth adore your wisdom,
and all nations see your salvation.

You nations, sing in thanksgiving,
and praise for One among us,

Who loves all people with His grace,
protects and guides all Creation.

The earth has given abundance,
has yielded fruit beyond measure.
Show mercy, give us your blessing,
and fill the earth with your glory!
