Ex - ult, you just, in the Lord! Sing to him a new song

5 B/D# C#m

Give thanks to the LORD on the harp;  
But the plan of the LORD stands forever;  
Our soul waits for the LORD,

with a ten-stringed lyre chant his praises.  
the design of his heart, through all generations.  
the LORD is our help, our stronghold,

7 A E

Sing to him a new song;  
Blessed the nation whose God is the LORD,  
For in him our hearts rejoice;

play the strings skillfully, with shouts of gladness.  
the praise he has chosen for his own inheritance.  
in his holy name we trust.
